Myra Johnson
Booster President

Adan Florez
Director of Bands

Dear Community Stakeholder,

The MdN Band Boosters, officially known as Parents Supporting Children and Their Music, Inc., are seeking financial and/or meal sponsors to support our student's 2026-2027 music program year. We are a non-profit 501(c)(3) volunteer organization whose sole purpose is to support music learning and performance while promoting a positive experience for the Marcos de Niza (MdN) High School band programs. Our goal is to ensure every student benefits from a quality music education, regardless of their family's financial situation.

Our primary revenue source is generated by fundraisers and donations received from generous individuals and businesses. 100% of proceeds go to the program and the students. These funds are used to cover a variety of band program expenses, sponsoring student program fees, providing game day meals, and performance supplies. However, families are often faced with raising their own funds for program fees, averaging $400 to $600 per student, which can be particularly difficult for families with more than one performer and/or modest means. The Boosters would like to help more!

The Padre Pride Marching Band participates in the AzMBA and ABODA State Marching Band program, providing opportunities to compete against other Arizona high school bands. The band program provides students the ability to learn teamwork, develop leadership skills and discipline all while sharing their unique talents. The hope of the MdN Band Boosters is to assist with the expenses of the band program's 2026-2027 year, and support Mr. Adan Florez, the MdN Director of Bands.

Your sponsorship and support of this program would mean so much, and help provide the necessary financial assistance our band program needs for the highest success! While any sponsorship is greatly appreciated, we do offer several sponsorship levels for your consideration. Please look them over and contact us if you would like to be an official MdN Band Sponsor!

All donations are tax deductible.

We look forward to your support in strengthening the positive experience music education offers to the students in our community!

Sincerely,
Myra Johnson

Partners in Padre Pride Sponsorship Program

Meal Donations
The dollar value of the donated meal is used to determine the sponsorship level. Values of donated meals and restaurant fundraisers at the same location are combined.

What Your Sponsorship Supports
Your generous donation will be applied to one of the following 2026-2027 Band Booster activities, including, but not limited to:

- Student scholarships
- Concert tour expenses
- Band/Jazz Band festival expenses
- Instrument repair
- Music clinician fees
- Marching Band uniform dry cleaning
- Food expenses for Marching Band, Band Banquet, and Middle School feeder events
- Senior Recognition Night
- City of Tempe and Town of Guadalupe Veterans and Holiday Parades
- Band leadership and member clinics
- Award and recognition costs
- Other activities that help develop or celebrate student success in music

**Sponsors must deliver their donation by August 29, 2026 in order to be featured on the t-shirt
